

Duininck Attains Charter Member Status in GCBA

02/2001

Duininck Golf has been granted Charter Member status in the Golf Course Builders Association of America (GCBA). Charter Members are those members who have a vested interest in the continuing success and growth of GCBA, and have expressed their support by making a one-time minimum contribution of \$5,000 above and beyond their annual membership dues.

Founded in 1926, the contractor based in Prinsburg, Minn., has been constructing golf courses nationwide since the early 1980's and has a bonding capacity of more than \$100 million. Duininck Golf resources facilitate turnkey project development, financing, construction management and operations.

"The GCBA is comprised of the world's premier golf contractors and we are pleased to garner this level of membership among our peers," said Dave Munkvold, Duininck Golf general manager.

Other Charter Members include such nationally recognized names as Barbaron, Inc., Boyd Irrigation, Inc., Earth & Energy Construction, Inc., Flowtronex PSI, GCR, Inc., Golf Course Construction, Inc., GolfVisions, Golf Works, Inc., Harco Fittings, Highland Golf, Hunter Golf, ISCO Industries, LLC., J.L. Pierman Int'l. Associates, JacklinGolf, John Deere Co., Kenova Construction Corp., Landscapes Unlimited, LLC., LESCO, Moore Golf, Inc., Rain Bird, RyanGolf, Tee-2-Green, The Scotts Company, The Toro Co., Wadsworth Golf Construction Co., and West Coast Turf.

The Golf Course Builders Association of America is a nonprofit trade association of the world's foremost golf course builders and leading suppliers to the golf course construction industry. It was founded in the early 1970's, and its members represent all segments of the golf course construction industry. Their national executive office is located in the historic Haymarket district in Lincoln, Neb.
